## COVID RESTRICTIONS

It's hard to believe that, after 2 years, we're still dealing with the covid pandemic. We can only hope that measures taken now will allow us to have some semblance of normality when summer arrives. As we did last year, we will be keeping up with the latest news/restrictions regarding the pandemic and make our plans accordingly. We're hopeful

## 2022 MEMBERSHIP DUES

Thank you to those who have already signed up for the 2022 season. As a reminder, fees will be \$20 for current members in good standing. New members will pay \$60 for the season.

Please complete membership form (attached) and submit, along with payment to Penny Prazak. Instructions for payment are provided on the registration form. **Please do not send cash in the mail.**

## VOLUNTEERS

It's not too early to start thinking of how we can ensure a successful upcoming season. As you are all aware, our club thrives on members stepping up to the plate to volunteer where needed. Please give some thought to volunteering as a course coordinator. We will need a course coordinator for each of the courses we will play this season. It's a great way to get involved and to meet other members. If interested, please send an email to Kim Tucker ( kimtucker@rogers.com ) Thank you.

We would welcome any suggestions from members to contribute to the overall success of our club. These could include:

- Outings
- Social events
- Communications
- Tournament format (long standing members may remember a particular fun day that happened in the past that they would like to see again)

Please send your ideas to the appropriate board member. THANK YOU!
