Rainbow Scramble Format/rules

1. This is a **SCRAMBLE** tournament, one score per team, all players hit each shot from spot of the previous best shot. A minimum of two drives per team member must be used during the round. In order to win, your team must have the lowest score and the coloured ball in play at the end of the round.
2. **Coloured Ball:** Team members take turns playing the ball. You play it for an entire hole, and then pass it to the next person in your group rotating through each member and every hole in the game. If there are only 3 golfers in your group, please rotate taking an extra turn so there are four shots at each hole. The member with the coloured ball must shoot first on each shot.
3. **The Rope:** Each team will be given 3 pieces of rope measuring 10 feet, 6 feet and 3 feet respectively. The rope may be used to eliminate putts within the distance of the putt, e.g. on a 10 ft putt or an 8 ft putt you may use the 10 ft rope. You are only allowed to use each piece of rope once for a maximum of 3 free putts. Exception, you must putt out on the **1st, 11th and 18th** holes.
4. **Sand Traps:** Balls may be thrown out of sand traps by each golfer without costing a stroke. Play resumes on ball closest to the hole.
5. **One Club Hole:** The **11th** hole must be played with only one club from tee up to and on the green and in the hole. Choice of either the **7 or 8 iron**.
6. **Prizes:** To the team with the overall lowest score and still possessing the Coloured Ball at the end of the game.
7. **Team Captain:** Each team should assign a captain to follow the above rules and keep the score card.

SPECIAL PRIZES
